Fresh on the shelves at Olive on Brooklea:

Our current crop of award winning extra virgins from Australia include a creamy, green and mild Hojiblanca; in the medium-intensity category is the herbaceous & peppery Coratina and the grassy early harvest Picual. In the robust category we are featuring a French varietal, Picholine. From Chile is a big healthfully robust Koroneiki.

Syracuse just got spicier! We are pleased to offer you a rotating selection of flavorful spicy olive oils. We've included a customer favorite, Chipotle, along with exotic olive oils like Harissa and Baklouti. Remember to check out the spicy sweet Serrano Honey Vinegar and a recent addition, Jalapeno White Balsamic.

Pineapple White Balsamic pairs well with any and all of our spicies! Don't forget to check out Tequila Jalapeno mustard and the Spicy Sampler collection of sea salts, too.
